THE LEGISLATURE

by Chick Evans

The 98th Maine Legislature has buckled down to business.

The 100 Republicans and 51 Democrats in the House, together with the 25 Republicans and eight Democrats in the senate wasted no time in clearing way preliminaries.

There are too many urgent pressing problems facing the 98th for its members to dally with minor matters. Consequently, it expedited organization, paused only briefly for the usages of the traditional inaugural ball, and had the books cleared for action before its members departed for their first week end at home.

The Inaugural Address

On the closing day of the first week Democratic Governor Edmund S. Muskie delivered his 1957 inaugural address to a packed House. In it he outlined his program for state progress, an 8,500-word message that followed administration of the oath of office. In a manner of speaking the address was Part 1 of a drama entitled "Baby Needs a New Pair of Shoes." In Part 2, delivered on Thursday, Jan. 10, the Governor will recite the figure on the price tag. Legislators will listen to the Budget Message and decide whether or not they'll buy.

The inaugural message avoided reference to costs of new services and only hinted at the need for a highway program. These matters, the Governor indicated, would be handled in the budget address on Thursday.

The program, as outlined in the inaugural, could be summarized like this:

Education: A revised subsidy system, setting minimum standards; increased teacher pay; subsidized consolidation and school construction; expansion at state teacher colleges and the University of Maine.

Institutions: Emphasis on rehabilitation, with more personnel and better facilities at mental institutions; a statewide probation and parole system.

Economic Development: State insurance on industrial mortgages; more personnel for research and planning; matching funds for local planning.

Natural Resources: Expanded forest nursery and improved practices on small wood lots; investigation and control of poultry diseases; elimination or liberalization of retail milk price control; more power for inland fish and game. Dept. over dams, fishways, streams and water levels; increased seed lobster program, lobster disease research.

SUMMER BIRD SUCCUMBS TO MAINE WINTER

An Eastern meadow lark was found Monday morning at the door of the Bethel primary school by Mrs. Marion Paine. Suffering from the cold, the bird was taken inside, and after becoming warm was able to hop about and sing. The long cold period was too much for the summer songbird however and it died the next day.

Local bird folk are puzzled over the deviation from customary habits of the bird, who should have left in the early fall, and are surprised that it survived the late fall and winter weather.

REVENUE SERVICE REPORT OF AGRICULTURAL FORM 915

Whitney L. Wheeler, District Director, Internal Revenue Service, Augusta, has announced that Form 915 (Employer's annual tax return for agricultural employees) is in short supply. It is expected that these forms will be made available in time so that they can be completed and forwarded to the Augusta office on or before Jan. 31, 1957. Agricultural employers should not use Form 911 as a substitute.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Wednesday evening, Jan. 9, was the regular District meeting on Civil Defense. This meeting was held as usual in the American Legion Rooms. One of the principal topics of discussion was on communications. Mr. Swenson of Portland was present and gave a demonstration on two way radio units. One of the very real problems we have to face in the near future in Bethel is to discover the best answer for the fire alarm system when the local telephone central office will be closed.

Some study has been made of methods other towns use when their telephone companies have gone to dial systems and closed their local central offices. Possibilities of radio as well as the so-called Red Network were discussed at the meeting. If any of you have good suggestions as to the best solution of the problem, please pass them along. I am very pleased that Mr. Compass is willing to continue his fine work as Director of Civil Defense.

Thanks,
O. T. Roselle

NEW MEN ADDED TO BLUEBERRY ADVISORY COMMITTEE

Maurice Tibbitts, of Columbia Falls, and Roland L. Woodbury, of Belfast, have been appointed to the Maine Blueberry Advisory Committee. President Arthur A. Hauck of the University of Maine announces they'll serve five-year terms. They replace Donald Gurney, Belfast, and the late George Frye, of Harrington. Tibbitts is manager of the Pleasant River Cooperative Canning Company at Columbia Falls and handles an extensive blueberry acreage. Woodbury operates blueberry land in Seasmont and has served two terms as Waldo County Commissioner. The Blueberry Advisory Committee advises the Extension Service and Experiment Station at the University on spending blueberry tax funds. Other current members are Charles Chase, of Kennebunk; Leeman Olson, of West Rockport; Carlton Gushue, of Appleton; William Magua, of Millbridge; and Emory Herrick, of Brooksville.

Miss Donna Anderson

ANDERSON - CHASE ENGAGEMENT ANNOUNCED

Mr. and Mrs. Orville H. Anderson of Bethel are announcing the engagement of their daughter, Miss Donna Anderson, to Cadet Alan Carleton Chase, son of Mr. and Mrs. Ralph Wendall Chase of Litch, Me. Miss Anderson is a graduate of Gould Academy, Bethel, and Vermont Junior College, Montpelier, Vt. She is now employed as secretary for Associated Hospital Service of Maine in Portland. Cadet Chase is a graduate of Gould Academy, Bethel. At present he is 2nd Classman in the United States Military Academy, West Point, New York, class of 1960.

DENTAL HYGIENIST SPEAKS AT MEETING OF BETHEL HEALTH COUNCIL

The January meeting of the Bethel Health Council was held at the home of Mrs. Dana Dauglass, Jr. The business meeting was conducted by Chairman Mrs. Dale Thurston.

The report of the committee for Thanksgiving and Christmas baskets was given. The Council wishes to thank all who cooperated with assistance of any kind in these projects.

The report from the program committee on the Tri-County Health Council was given. This meeting is to be held in Bethel on May 15. The subject will be Education of the Mentally Retarded. Place, speakers and committee will be announced later.

The speaker for the January meeting was Miss Dorothy Bryant, Dental Hygienist from Augusta. She gave a very informative talk on dental hygiene and fluoridation, especially for the pre-school and school children. A question and answer period followed. There was a discussion on appointing a committee to investigate the possibilities of some dental care.

The next meeting of the Bethel Health Council will be held March 7. Program will be announced.

EVANS - RING

The Bryant Pond Universalist Church was the scene of a lovely wedding Sunday afternoon, Jan. 6, at 2:30, when Miss Sylvia Dian Ring, daughter of Mr. and Mrs. Merle Ring, Bryant Pond, became the bride of Ansel Clarke Evans, Jr., son of Mr. and Mrs. Ansel C. Evans, Sr., Gorham, N. H.

The double ring ceremony was performed by Rev. Robert Salles, pastor. Mrs. William Stelhorn was organist, playing the traditional wedding music. Mrs. Clarence Cummings, soloist, sang "Always" and "The Lord's Prayer."

The church was decorated with candles in the windows; with a large bouquet of pastel pompons and two candelabra at the chancel. The bride was given in marriage by her father.

The bride wore a white ballerina length gown, with skirt of ruffled net and a bodice of Chantilly lace and satin. Her waist length veil fell from a crown of seed pearls. She carried a heart shaped bouquet of white carnations with center of tiny rosebuds.

Miss Nancy Evans, a sister of the groom, was maid of honor and wore a shrimp colored ballerina length gown of net over satin, with matching head dress of net bows and tiny flowers. She carried a colonial bouquet of yellow and green carnations.

Edward Drew, Gorham, N. H., was the best man. The ushers were Herbert Dunham, Bryant Pond, and Donald Pike, Gorham, N. H.

Merle Ring, Jr., small brother of the bride was the ring bearer. The flower girls were Miss Diane Farrah and Miss Barbara Haskell, nieces of the bride. They wore light blue and yellow party dresses of organza.

The bride's mother wore a street length dress of teal blue taffeta, with corsage of pink carnations. The bridegroom's mother wore a street length gown of blue flowered taffeta with corsage of yellow carnations.

A reception at the Grange Hall was held immediately after the wedding. Mrs. Benjamin Warner, Jr., was in charge of the gift tables, and Mrs. Frank Anastasia, Gorham, N. H., presided over the guest book. Those serving were Mrs. Leland Dunham, Locke Mills; Marilyn Currier, Gorham, N. H.; Mrs. Herbert Dunham and Mrs. Chester Bean, Bryant Pond. The wedding cake was served by Mrs. Edward Drew, Gorham, N. H.

The couple left for a wedding trip to Connecticut and New York City.

The bride was graduated from Gould Academy, Bethel, and from Burdette College, Boston. She is a secretary of the Oxford Paper Co., Rumford. She is a member of the Bryant Pond Universalist Church and of Jefferson Chapter, O.E.S.

The bridegroom is a graduate of Gorham High School and has served in the U. S. Army. He is employed at Larry's Garage at Gorham, N. H., as a mechanic.

Out-of-town guests were present from Locke Mills, Bethel, West Paris, South Paris, Rumford, Dixfield, West Paris, Frye, Gorham, and Shelburne, N. H., and Bradford, Vt.

Paul Fossitt left Friday to visit friends in West Hartford, Conn., before returning to classes at Yale University, Tuesday.

MANY MAY USE NEW SIMPLIFIED TAX FORM

As a result of surveys and studies conducted by the Internal Revenue Service, several million taxpayers who last year filed their returns on Form 1040 are this year receiving in the mail the simplified punch-card Form 1040A, which makes possible easier preparation of a return and can be more readily processed by the Service.

The card form enables the taxpayer to provide all pertinent information on his income and exemption status. If his income was less than \$5,000 during 1956, consisting of salary or wages from which tax was withheld, and he had no more \$100 total of other wages, dividends and interest, and if his deductible expenses were less than the standard 10 per cent calculated as part of the tax table for incomes up to that figure.

For those taxpayers with less than \$5,000 income but with allowable deductions exceeding 10 per cent, the regular Form 1040 should be used to obtain a refund or reduce the balance of tax due.

Persons who qualify to use the card form but who did not receive it may obtain a copy from the office of the district director at Augusta. An instruction sheet accompanies the card form. It contains a reproduction of the card, to serve as a sample to fill out before preparing the form itself and to be retained by the taxpayer for his records.

A new feature of the card form this year is the addition of lines making it possible for the taxpayer to compute his own tax from the table provided on the instruction sheet. District Director Wheeler urged taxpayers of Maine to make this calculation, rather than have the revenue service do it, so that they may know at once whether they owe additional tax, are due a refund, or have exactly fulfilled their tax obligation by withholding tax payments.

Last year approximately 15 million taxpayers who could have used the card form actually used the longer Form 1040 in order to calculate their additional tax or refund before filing their returns. Provision of the Form 1040A with this new feature will enable them to accomplish the same purpose with the simplified card form.

CHANGES ANNOUNCED AMONG EXTENSION AGENTS

Several changes have been announced among county Extension Service agents in Maine. James A. Robinson, of Portland, Cumberland County Agent, has been named to succeed Verne C. Beverly as Aroostook county agent at Presque Isle. Miss Annette C. Dodge, of Bangor, succeeds Mrs. Muriel L. Pierce as Piscataquis county home demonstration agent. Mrs. Marie Novack, of Madawaska, has been appointed Northern Aroostook county home demonstration agent, effective March 1. Mrs. Sara M. Libby has been named temporary assistant home demonstration agent in Penobscot County. Edward F. Bagley is acting as temporary 4-H club agent in Kennebec County.

Kind hearted and generous supporters of the Red Cross enabled their Bethel Branch to exceed its quota of \$51 for Hungarian Relief by a substantial margin. An organizational meeting will soon be held in preparation for the annual March drive.

During the recent paper drive the Girl Scouts of the community have collected three tons of scrap paper. Although the drive is over, Patrol 1 is still taking paper. Anyone wishing to donate paper may call Mrs. James Brown or Mrs. Ralph Kimball.

Miss Isabel Bennett has returned to Endicott Junior College, Beverly, Mass., where she will assume the duties as head of the physical education department to which she was recently appointed. Her sister, Miss Alice Bennett, will join her as a physical education instructor. For the past three years she has been an instructor in a Nashua, N. H., high school.

The Eleanor Gordon Guild met Wednesday evening at the home of Mrs. Ernest Blake with Mrs. Malcolm Mundt as co-hostess. There were twelve members and five guests present. Mrs. Donald Walker led devotions. Mrs. Stuart Cross received the merrily package. After business meeting Mrs. Frank Lowell held a silent auction. Refreshments were served by the hostesses.

BARN UNROOFED IN WIND

Nearly half of one side of the roof of the 100 foot barn of Edmund Smith in Mason was damaged by the high winds of Wednesday night last week. A large section was blown away in one piece, landing in the field over a hundred feet away. Twenty-two new rafters were required in the repair work besides new boards and steel roofing.

SHELBOURNE LANDMARK LOST IN LAST WEDNESDAY FIRE

The 14 room mansion of Dr. and Mrs. Lowell J. Reed on the north side of the river at Shelburne was burned on Wednesday afternoon of last week with an estimated loss of \$50,000. The former Burbank home, it was occupied by the late Mr. and Mrs. Brainard Burbank until they built a home at Skillingston about 35 years ago. Dr. Reed was formerly president of John Hopkins University, Baltimore. It is understood that plans for rebuilding are underway.

MARCH OF DIMES

Chairman Norma Jodrey of the local March of Dimes campaign has received reports of the following who have had polio coffees during the past nine days: Gertrude Hutchins, Monique Rolfe, Eleanor Brooks, Mary Paine, Marguerite Sumner, Jerry Strout, Betty Robertson, Agnes Thurston, Virginia Cole, Marguerite Clark, and Barbara Greenleaf. Receipts from the coffees amount to \$27.08. Since pledge cards were mailed Saturday there has been a return of \$4.20.

COLD AND SNOWY WEATHER

Wintry weather has continued another week. Sunday morning was coldest of the season to date, when readings of 25 or more below zero were reported. An all day snowfall Monday threatened to block some pieces of road and was followed by wind on Tuesday. Another snowstorm is in progress on Thursday.

MRS. JOHN A. HARMON

Mrs. Addie S. Harmon, widow of John A. Harmon, Scarborough, died Saturday in a Portland hospital.

Born at Bethel, May 12, 1863, the daughter of Osmond and Mary Smith, she moved to Scarborough at the age of seven and attended schools there. She was a member of the Black Point Congregational Church and was active in church affairs.

Surviving are a son, Clyde Harmon, Scarborough; two daughters, Mrs. Helena Johnson, Portland; and Mrs. Arlene Leary, West Scarborough; several grandchildren and great-grandchildren.

SPECIAL INAUGURATION CANCELLATION

In order to accommodate collectors who desire to obtain Inauguration covers on January 21, 1957, the Post Office Department is providing a special cancellation with the wording "Inauguration Day" in the bars.

To obtain this special cancellation, collectors should send addressed stamped envelopes to the Postmaster, Washington 13, D. C., to arrive prior to midnight, January 21, 1957. The envelope to the Postmaster should be endorsed "Inauguration Cancellation."

1957 AUTO BUYERS FACE HIGHEST PRICES, TOUGHEST FINANCING IN YEARS

Those who set out to purchase a new car in 1957 may find that they will be forced to wind up with a smaller, lower-priced car than they had intended to buy, according to the editors of "Changing Times," The Kiplinger Magazine.

The reasons: Interest rates are higher for car financing; down payments will be stiffer; borrowers may have to repay loans faster, in bigger installments; and finally, lenders are choosier about how much they will lend and to whom.

And, car prices are the highest in history, with price increases as much as \$30 to \$150 over last year's levels in the low priced cars. This combination of high prices, and tough financing will force many buyers into the lower priced, standard models.

The Week in Oxford County

Oxford County stands second, with 27, in the distribution of dedicated tree farms among the area counties.

Western Maine Girl Scout Leaders met at the American Legion Hall, Norway, today. Dinner was served by the hostess group. There was election officers in the afternoon. Speakers were Miss Doris Richardson and Miss Dena Rafolke, both of the national staff.

Robert Blak, a senior at Dixfield High School, has had a poem accepted for publication in the annual anthology of high school poetry. The announcement was made by Principal Harry Brown.

A 1948 Ford swept the Rumford Senior Laundry Wednesday night. A large quantity of laundry

ready for delivery was destroyed and the equipment was damaged considerably.

Rumford was host to Maine Snowmobile Clubs and guests during the week end. Representatives of 15 clubs participated in the events which included the two mile walk-thru for men, the half-mile for women, 100 yard dash; 200 yard dash; and 400 yard dash for men; the 60, 100, and 150 yard dash for women.

Requests of \$1,000 in the Rumford Community Hospital and 1949 in the Rumford public library from the will of the late Edwin G. Lord were recently announced. Miss Lord was a former resident of Rumford and Norcross for several years.

ACROSS the DESK

ideas from other editors

From the Union Times, Junction City, Arkansas: Last week in the news columns of The Times, we reported a local rumper in a Junction City home caused by the husband's failure to remove his shoes before removing his pants. His wife objected to this procedure, on the grounds that it created an unnecessary cleaning or laundering problem. This started the row.

We sympathize with the wife realizing full well the difficulties of laundering, even with modern appliances, when added to normal home cleaning, cooking, sewing and other activities.

However, there is a matter of principle involved which is important not only in Junction City but throughout the United States, or perhaps in all nations of the world in these troubled times. It is the principle of individual liberty in defense of which our forefathers battled the wilderness, and animals, Indians, cold, hunger and privation as they fought their way to Arkansas and Louisiana to clear land and carve out homesteads in this wonderful land.

Today there is precious little individual liberty left to a man. The various governments, state, federal and local, have gradually taken control of his business, his labor, his property and other phases of his life, so that today the only two

areas remaining fairly free are home and Church. And we feel that every man should draw the battle line here, prepared to fight to the bitter end for his last remaining shred of individual freedom.

It matters not whether it is control of his manner of removing pants, or some other seemingly trivial matter, the important point is that at some stage of enslavement a man must turn and fight back. Towards may disagree, but where a spark of courage remains men know it is better to die on their feet than to live on their knees.

So, men, let us draw the battle line here and now. And let the chips fall where they may!

From the Chickasha Star, Chickasha, Oklahoma: Publishing a great home-owned newspaper like the Chickasha Star is no picnic. If we print jokes, people say we're silly. If we don't they say we're too serious. If we stick to the office all day, we ought to be out hunting stories and revenue. If we go out and try to hustle, there are those who say we're never in when they try to reach us. If we don't accept contributions, we don't appreciate genius. If we print them the paper's full of junk.

"THE IDEAS OF COMMUNISM ARE DEAD"

Only time can put events in their proper perspective. The news that makes black headlines today may be as dead as the Pharoahs tomorrow. But it seems as certain as anything can be that history will record that the most significant and far-reaching event of 1956, and perhaps of many years, was the revolt in Hungary.

This uprising was not successful in the ordinary sense of the word. It failed and improvised grenades and tanks, unfortunately, are no match for tanks and artillery. But in another, more fundamental sense, this act on the part of an oppressed people was almost incredibly successful.

It showed that courage, and the willingness to risk death and torture in the pursuit of freedom exists in undiminished vigor in this chaotic world.

It showed peoples everywhere, once and for all, the cruel truth of communism. This is enormously important. Reports from country after country state that membership in communist parties has sharply declined, and that the organizations of communist and communist-sympathizing organs are shrinking. Well-known writers and other leaders of opinion, who out of a mischievous and stubborn idealism once supported or tolerated communism, have openly proclaimed their defection from the party and from the Kremlin. The ruthless rule of the Soviet government and the Red Army have excited almost universal horror.

It showed, above all, that communism contains the seeds of its own destruction, and that its very structure is crumbling. A view that is held by all manner of experts was thus expressed by Kurt H. Leide, a journalist of long experience in Eastern Europe, in U. S. News and World Report: "What we are witnessing now is the gradual decomposition of the entire communist system. The ideas of communism are dead. What remains is the lumbering armored body of Soviet military might."

This does not mean that there can be any relaxation in the West. Its governments and forces must be more wary and alert than ever. To quote Mr. Leide again: "Dictators are being exposed. It is well to remember that executed animals often are dangerous." Inevitable famines are capable of the most deplorable fanaticism. There is always the possibility that seeing their own world collapsing under the weight of its sins and crimes, they will attempt to bring all the rest of the world down too.

It is significant that there is nothing speculative about the far-distant horizon that has come to us out of Hungary. It means that as drawn to be real to us again and again as communism goes through its death agonies, how sure that may take.

Super government, all powerful government, socialism, communism, whatever name you want to use for the inhuman enemy of human freedom, it reduces the individual to the status of a cipher.

HOME BUYERS TO MEET NEW PROBLEMS IN 1957

If 1957 is your year to buy a house, you will face problems that have not bothered those who have bought homes in previous years, according to the editors of "Changing Times," The Kiplinger Magazine.

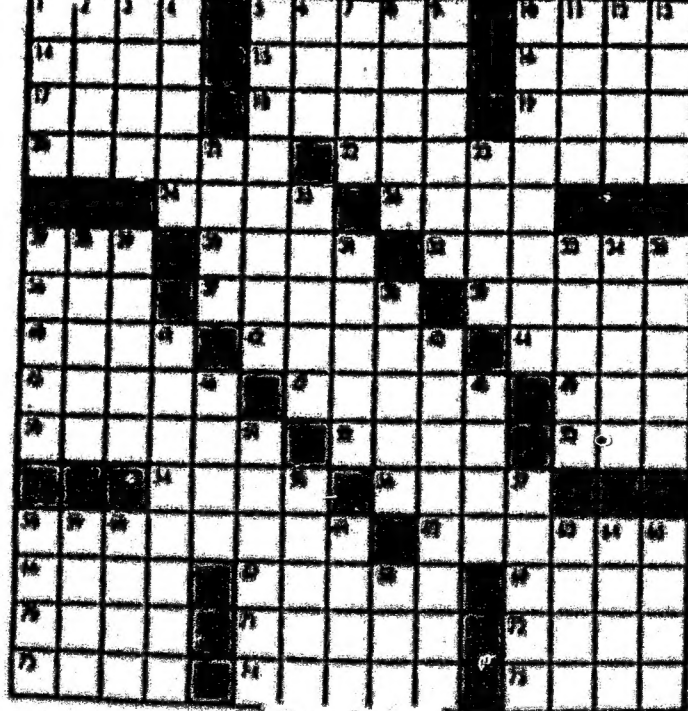

The key problem is financing. Houses are built and bought with borrowed money, and there is a serious shortage of money to borrow. Result: You may have trouble getting a loan. And even if you do qualify for a loan, you are likely to pay a stiff interest rate. Nowadays 5 per cent is a low figure, and rates of 6 1/2 to 8 per cent are not uncommon. Nor will house prices

drop in 1957. On the contrary, the editors say, all the forces at work are pushing prices upward.

The bright side? You'll have a wide choice of homes, both new and old. You can get financing. If your deal is sensible and safe. Finally, older houses, built when costs were lower, may be excellent buys. So don't limit your thinking to new houses with so many good deals around in established neighborhoods.

A substantially larger volume of potatoes from the 1956 Maine crop were marketed for potato ship processing than from any previous crop. The Extension Service has encouraged this development.

TODAY'S Meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, January 10

Read Jeremiah 33:1-9.

Call unto me, and I will answer by.

thee, and show thee great and mighty things, which thou knowest not. (Jeremiah 33:1-9)

SOME months ago I went out into the country to hold a service in the home of one of our members. The father was employed as a line inspector for a power company. His house was in sight of the power lines taking electricity to neighboring towns where it served to turn the wheels of their industries and light their houses and streets.

As is the custom in Brazil, we held our service in the evening. Strange to say, I found the room poorly illuminated; we held the service by the light of a smoky little kerosene lamp.

Curious, I asked my host why he used kerosene rather than electricity.

He said they had no transformer; so the electricity passed them by.

This was to me a parable of prayer. God's great power is so near, but how many of us live without it for lack of the transformer—prayer! We need not live defeated lives, for prayer can give us the power to be victorious Christians.

Prayer

Our Father, so many of us are living in the gloom of worry and anxiety. Grant to us the light of faith and quiet confidence in Thy love and kindness. Teach us to pray, so that Thou mayest send into our lives the light of Thy truth and the power of Thy love. In Christ's name. Amen.

Thought For The Day

Through prayer, God's power is available to us. —D. A. Kelly (Brazil)

REV. ROBERT H. BARBER

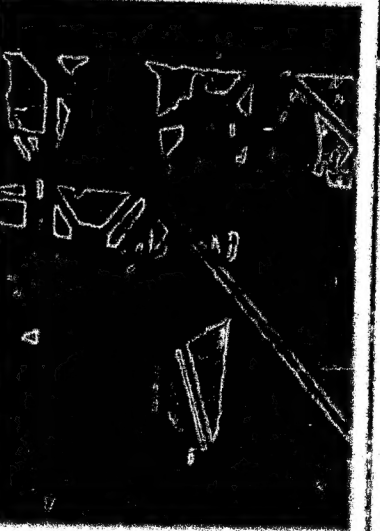

OLD AND NEW

JANUARY is named after Janus, the two-faced god of gates and doors among the ancient Romans. With one face he looked behind him to the past, with the other he looked before to the future.

In January we incline to cast lingering glances behind us over the year we have traveled in the Old Year. But we also give thought to the New Year, and that is better than giving too much time to the Old.

For, while it is well to remember the past and acknowledge our debt for the great heritage it has left us, our time is needed for the problems of the present. And it is wise to bear in mind that the best way to be true to our heritage is to be true to the ideals and principles the past has left to us. It is our duty and privilege to carry on and try to add to the blessed sum of good that we shall one day leave to others.

So, while we may look back over a momentous year in the history of our nation and of the world, let us pause ourselves to the tasks that belong to us and as the spirit would remind us, forget the things that are behind us and press forward to the things that are before us with hope and courage to the days as they come and go.

SAFE, PORTABLE "FURNACE"

DELIVERS LOW COST HEAT

... warms inside areas without vents. Heats workmen outside.

This is actually a portable forced-air furnace. It circulates warm air inside a room or building or does "spot" heating outside. It burns inexpensive kerosene or fuel oil so completely that it leaves no dangerous fumes, needs no vent, 110-115 volt current ignites the fuel and runs the blower. Safe, lightweight, effective. Costs only 12c per hour to run. If you need temporary heat, inside or out, here's your solution. Comes in 100,000, 160,000, and 400,000 BTU-per-hour capacities. Made by Master Ventilator Co., Dayton, Ohio. Ask for a free demonstration. Prices start \$125.00

GOULD ACADEMY

Porter at Gould Tuesday.

Porter High of Kears Falls has recently been scheduled to fill in Gould's only open date of Jan. 15th. It will be a regular doubleheader with the Junior Vardies meeting at 6:30 and the varsity game at about 8:15. This will be the first meeting between the two teams.

Old Orchard Hills, Friday

Old Orchard High will be the guests of Gould Academy Friday night. The Sea Gulls have been having considerable more success than the Academy five, who managed only 1 win in 3 starts in preholiday games. It will be Gould's first engagement outside the Sun-Journal League this year. The Huskies have had a three weeks lay-off during the holidays and this will be no help in coping with the invaders.

The Old Orchard team will be guests of the Academy at a 6 o'clock dinner on Friday and will stay over night. The two teams have always enjoyed these once a year visits.

There will be no preliminary game and the varsity affair will start promptly at 8 p. m.

Regional College Board Entrance Examinations will be given this Saturday, Jan. 12, in Hancock Hall at Gould Academy. The examinations will start at 8:30 a. m.

Gould Academy's first 1957 interscholastic ski meet will be held Saturday, January 12, at the Gould ski area. The Hedgescross School of Plymouth, N. H., will provide the competition and the meet is expected to start by 10:30 a. m. The meet will include all four events: cross country, down hill, slalom and jumping.

On Tuesday, January 15, the second in the series of the School Assembly Service Programs will be held in Hancock Hall at 8:10 a. m. George Groman will be the speaker and his topic is "How Other People Talk."

George Groman is a specialist in accents. Groman took his MA in Speech at the University of Southern California. He has broken accents for the Los Angeles Board of Education and made accents for H. H. Arnold TV and screen stars. He has performed over 200 and CBS in such productions as Big Town and Cavalcade of America. He has appeared in screen and radio plays with such actors as Humphrey Bogart and Edward G. Robinson.

He does over 35 dialects including Swedish, Russian, Italian, British and Mexican, and 10 colloquialisms. He can do more than 40 impersonations. Some of these are: Winston Churchill, Ronald Colman, Peter Lorre, Jerry Lewis, Jimmy Durante, Charles Boyer, Gabriel Byrne, Jimmy Cagney, Rochester, Louis L'Amour, Gary Cooper.

The public is cordially invited to hear Mr. Groman's talk.

TELL US YOUR PROBLEM

BY JOHN and JANE STRICKLAND

A CERTAIN fear had for years been associated too long with his present fellow workers. He had learned how to please the Higher-Ups here, but new Higher-Ups would be different people.

But having a certain type of determination in his make up, he told himself that what he had to do would better be done at once.

So even before the other employees began casting around for jobs, he took a plunge: he decided to apply for a highly desirable job that he felt sure he wouldn't get; this was merely to practice his sales talk on his own abilities.

Lo and behold, he got that job! His motto today is, "If you're afraid of the water, plunge right in! It will be warm in a few minutes."

BETHEL BOWLING

Well, just as we promised, we, the Bethel Bowling League of misfits, unfits, and fits, are gonna give it to you straight.

We had a heck of a good first round, with 21 matches, they were all pretty close, too, nobody walked around nobody (shades of Dave Thompson).

There is a trophy donated by Central Alleys for the highest individual average for the year. There is a 42 string minimum requirement for this. So the first round found Guy (Paint) Parker was first with a 1027 for 18 strings, Bob (Flick) Croteau 2nd with 1021 for 18 strings, and Potato Knocker Chapman was 3rd with a 1017.

THE LEGISLATURE

—continued from page one—
search, and resumption of scallop research; completed classification of waters for pollution control, money and legislation to accelerate construction of municipal sewerage treatment plants, and a ground water survey; a changed utility rate base to take "prudent investment" into account; expanded parks.

Labor: A minimum wage and labor relations act; liberalized unemployment benefits.

Health and Welfare: A 5 percent increase in welfare grants; home nursing care for the aged. State Government: Greater authority for the executive branch; four-year governor's term; elimination of the Executive Council; consolidation of agencies and appointment of department heads by the governor; higher pay for state employees.

A generally voiced impression among legislators at the close of the speech was that the Governor had presented far bolder demands for services than he had in 1955. The question now was how much can we afford.

Legislative Organization. While most Maine citizens were recuperating from the formalities of launching a new year, the members of the 98th tackled the job of organizing. Nominations made on Jan. 1, formalized by joint elections on the following morning, saw these results: President of the Senate, Robert N. Haskell, Bangor, who defeated Sen. William S. Silsbee, Auburn, by a 15 to 10 vote; Speaker of the House, Joseph T. Edgar, Bar Harbor, who polled 40 votes to 47 to Rep. Dana W. Childs, Portland.

Sen. Seth Low, Rockland, won the post of Senate majority leader in a tight 13 to 12 vote over Sen. Roy U. Sinclair, Pittsfield. James C. Totman, Bangor, was named House majority leader, defeating Rep. Steven D. Shaw, Bingham, 52-43. Rep. Rodney E. Ross, Jr., Bath, was named House assistant majority leader without opposition.

The floor leader for the Democrats in the Senate will be Sen. Jean C. Boucher, Lewiston, dean of the Maine Legislature in years of service. There was no contest for the post when Sen. Alton A. Lessard, Lewiston, withdrew. Sen. Boucher's assistant will be Sen. Peter J. Farley, Biddeford, who was named without opposition.

The Democratic floor leader in the House will be Rep. Adam Walsh, Brunswick. Walsh's assistant is Rep. Eben Elwell, Brooks.

State Administrators. One of the most important chores accomplished on the opening legislative days was the election of the five state officers who, under the Constitution, are chosen by the Legislature. In joint convention the Senate and House first re-elected Harold I. Goss as Secretary of State, an office he has held 14 years. On a straight party division, Goss defeated Herbert B. Brown of Bowdoin College, a Democrat, 123 to 50. One "scattered" vote turned up. It was for former Governor Burton M. Cross.

On the motion of Democratic to use for it. - We are planning to have polo shots on Wednesday, the 9th. Seventeen of us have had shots. We have a general discussion of diseases for a Health lesson. - Reporter, Juanita Childs.

SKILLINGTON

Mrs. Ola Tift, Corres. - Mrs. Imogene Kimball is finishing her duties at the Saunders home this week. Friends and neighbors of Mrs. Saunders are pleased that she has made such a good recovery. Mrs. Saunders has a flock of over thirty evening grosbeaks among the birds she is feeding this winter. Mrs. Herbert Tift spent Saturday with her sister in Norway. Carlton Saunders was in Norway on Tuesday.

Senator Lessard, Lewiston, the same division was recorded for the following Republicans: Erlon L. Newdick, Augusta, Commissioner of Agriculture, with the Department 42 years; Michael A. Napolitano, Augusta, State Auditor; Frank P. Harding, Rockland, Attorney General for a second term; and Frank S. Carpenter, Augusta, State Treasurer, for a sixth term.

There were taken Democratic candidates for the five offices, in addition to Prof. Brown for Secretary of State. They were Maynard Dolloff, State Game Master, as Commissioner of Agriculture; George W. Lane, Jr., Lewiston, as State Treasurer; George H. Hunt, Hallowell, Attorney General; and John Barry, Bangor, State Auditor.

Executive Council. The opening joint session also made official the election of an all-Republican Council to serve in Gov. Muskie's second term. Its members are Carleton S. Fuller, Bucksfield, over Peter M. MacDonald, of Rumford; Robert L. Travis, Westbrook, over Louis Woodward, Gorham; Currier C. Holman, Farmington, over Vance Oakes, Rangeley; Arthur N. Gosline, Gardiner, over Mrs. Paul Fullam, Sidney; George D. Bearce, Bucksport, over Burton Webber, Bar Harbor; Dr. Roswell P. Bates, Orono, over Joseph Blodgett, Old Town; and Harley D. Welch, Chapman, over Orrin Bishop, Presque Isle.

State Office Building. Not a strictly legislative matter, yet a memorable occasion, was the formal dedication of the new 3 1/2 million dollar office building, faced with granite from Deer Isle. Now housing close to 1,000 of the state's 7,000 workers, the handsome structure was described as a symbol of Maine's progress.

Gov. Muskie and his Republican forerunner, Burton M. Cross, joined hands to cut a ribbon at the building's entrance. The project was launched under Cross in 1953 and finished late in 1955 in the Muskie Administration.

Mrs. Hilde Inman, Corres.

At the Baptist Church, Dec. 28, Miss Geneva Libby, daughter of Mr. and Mrs. Walter Libby, became the bride of Daniel T. Kline of Jersey Shore, Pa., son of Robert Kline of Charlestown, Mass. Rev. Ronald C. Hicks officiated using the double ring service. Traditional wedding music was played by Miss Ruth McKee, church organist. The soloist was Mrs. Graydon Cole, who sang "O Perfect Love" and "Benediction." Candelabra, white gladiolus and evergreen decorated the altar. Given in marriage by her father, the bride wore a ballerina length gown of white lace net over satin with long pointed sleeves and fashioned with a high neckline. Her fingertip veil fell from a crown of pearls. She carried a white Bible centered with white roses.

Mrs. Ronald Ray of Hartford, Conn., served as maid of honor. Mrs. Elaine Bean of Cape Elizabeth and Miss Betty Dolphin, Turner, served as bridesmaids.

Donald Cronkhitte of Waterville, attended Mr. Kline as best man, and ushers were Herschel Killa, U. S. Navy, Norfolk, Va., and Lawrence Gilbert, Norwood, Mass. A reception was held at the Finnish Congregational Church hall immediately following the ceremony. Miss Margaret Carver of Turner circulated the guest book. The gift display was in charge of Mrs. Harold Hutchinson of Topsham. Refreshments were served by Mrs. Herschel Killa and members of the Golden Rule Guild. Mrs. Kline is a graduate of Buckfield High School, Bates Business College, Lewiston, and received her B. A. degree from Providence Harrington Bible College, in Providence, R. I. For the past two years she has been teaching at Oakland.

Mr. Kline attended Roberts Wesleyan College and the Academy of
